surance" against strikes on Liese in portant jobs.

Robertson admitted on the stand that he suggested \$10,000 as the initial cash payment, but Brindell would not listen; he wanted \$20,000 and he wanted it at once. After that Robertson did not haggle at all. He drew the \$20,000 from the bank and placed it on the seat of the automobile in which Brindell took him back to his office.

Testimony before the committee

2000. This change was made after "suggestions" from Mayor Hyhn, at the instance of John T. Hettrick, "code of practice" attorney for combi-

nations of contractors.

Another development of the day was the recalling at his own request of William Zarsnko, President of the Housewreckers' Union. He told of the reign of terror and persecution of his men by the Brindell organization of floaters, dishwashers and outlaw railroad strikers and his rate supeals for aid to the American FEDER wate appeals for ald to the American Federation of Labor, the Mayor and other officials to protect his men against oppression and extortion.

## AS BRYAN APPEARS

Dainty Is Lost.

William Jennings Bryan was an its ing slightly—at the head of the herseshed from his place and around the rooth is to greet the Commoner. Somewhere or the so-called Polish Union of House Wreckers, more propesly known as discarded—his gum.

While Mr. Hylan was sitting there, rather proudly it seemed, with Mr. Bryan, he made another effort to ask questions of the withess, the boss of the school buildings.

"No; there will be no circus; addisorder, no ment as a property and property until you have some that right?

A Yes, sir.

Q. There has also been same talk in the papers that you wanted to answer about you or your union being connected with the bomb plot in Wall Street? A. Yes, I don't know anything about it.

Q. Do housewreckers use dynamite?

A No, sir; we only use the crowbar and the rope.

Q. Do housewreckers use dynamite?

A No, sir; we only use the crowbar and the rope.
